About HELP

HELP began in 2010 with the idea of 3 men from the community who saw the need for health equipment to be available to all who may have need of it.

HELP offers used medical equipment to anyone with a temporary need.

The equipment can be “borrowed” for up to 6 months, but can be extended with a phone call, for a maximum of 1 year. Equipment will need to be returned after 1 year.

The equipment is donated by individuals and health care providers. It is cleaned and sanitized before being issued for use.

Health Equipment Lending Program

Medical equipment you can borrow or donate includes:

- Dressing aids
- Bathroom aids
- Commodes
- Walkers
- Crutches
- Wheelchairs

Donations

of good, clean medical equipment can be brought to First United Methodist Church.
