PARENTS' CORNER:

Volunteering

Your involvement in your child's spiritual growth is so valuable. The success of your child's Christian education and walk with the Lord at Trinity is dependent upon your active involvement.

Monthly Rotation Leader – As the rotation leader, your responsibility is to present the lesson in a kid-friendly way to students so that they not only remember the story but understand why it is important to them.

Classroom Shepherd – As the shepherd of a class, you have a great responsibility, and you are very important in the process of transformation in our kids' lives. Arrive early, take attendance, guide students to workshops, and keep them focused and involved; pray with the students.

Wednesday Faith Kids Helper – Prepare and serve snacks, help keep kids safe during games, lead a small group, and pray with the students.

Sunday School Greeters – Greet families as they arrive to Sunday school. Provide direction to new families and hand out information as needed.

Children's Education Committee – Join the Children's Education committee. This committee meets monthly on the first Tuesday of the month at 6:30 p.m. in the Sunday school area. Brainstorm new ideas for Children's programs at Trinity Lutheran Church. Next meeting is October 3.

Provide Food – Help provide food for events such as teacher brunches, Advent and Valentine's Celebrations.

Share Your Talent – Help lead a large group lesson; help lead music time with teaching new songs with actions; take home projects to prep for lessons; sew costumes; or help with the Christmas and Mother's Day programs.

Contact Sherry at sherry@trinitylindstrom.org or 651-492-5729 to say how you will help!
